#### **Administrative and Board Committee Reports:**

##### Superintendent's Report

Lynn Stola was recognized for having an article printed in the SunGazette appearing under her byline. The article discussed the money raised by Tyler Croucher and Parker Voitek, of Ashkar Elementary, for Delaney Heller. Delaney is a Williamsport resident who is diagnosed with an inoperable brain tumor.

We also recognized a number of wrestlers and basketball players who were selected for various honors. The entire list is on the next page.

Mr. Andy Brown, our football coach was selected to coach the South squad for this year's District IV All Star game. We are proud that our coach was selected for this.

Mrs. Wylie informed the board of the process that students will need to follow in order to complete a project in lieu of passing a Keystone exam. The process is both time and labor intensive for both staff and student. If you would like a copy of the PowerPoint she presented, send me an email and I will get it to you.
