

2003

*Ronald G. Montgomery, BA*

*Ronald Montgomery, BA, is a graduate of Hughesville High School Class of 1960. He received his Bachelor of Arts in Biology from Lycoming College, Williamsport, Pennsylvania in, 1964. Ron is an independent consultant to the pharmaceutical industry in the areas of regulatory and compliance auditing, clinical development process auditing, teaching, and study monitoring. He serves as instructor for the Drug Information Association (DIA) Entry Level Clinical Research Associate (CRA) training course.*

*As a Senior CRA, Ron was involved in human clinical trials of various drugs for hypertension, arthritis, anxiety, infectious diseases, and kidney transplants. He was the North American CRA training officer for Pharmacia & Upjohn. Ron also served as a Director of Clinical Monitoring for ClinTrials Research, Inc., responsible for administration and management of clinical projects and CRA personnel, as well as for providing training in regulatory and Good Clinical Practice (GCP) aspects of clinical trials.*

*Ron was part of the scientific team, which assessed and provided FDA regulatory guidance for the possible future use of various vaccines in a Department of Defense Investigational New Drug (IND) stockpile. Ron has also written clinical study plans, informed consent forms and case report forms for the use of two Department of Defense counter biological warfare agents. He also formulated and consulted on the initial human clinical trials for Friedreich's ataxia for the National Institute of Neurological Diseases and Stroke, Bethesda, Maryland.*

*Ron is a member of the Drug Information Association and the Association of Clinical Research Professionals.*

*Ron is married to the former Eileen Hall, also a 1960 graduate of Hughesville High School. They live in the Muncy-Hughesville area, and are the parents of Jodi Davis of Wilmington, North Carolina, Scott Montgomery of Monrovia, Maryland, and Jill Berrong of Raleigh, North Carolina.*

*Ron became a Hughesville High School Academic Hall of Fame Inductee in June 2003.*
